

Corteva Agriscience
Ydras 2 str & Kifissias 280 Ave
152 32 Chalandri, GREECE

Legal Name change

Dear vendor,

After the successful completion of the separation from DowDuPont on June 1, 2019, we are just over one year into our Corteva journey, growing what matters for farmers, consumers and the world.

As you may know Corteva has been launched at global scale with a balanced offering across Seeds and Crop Protection, as well as expanded Digital Services. Currently we are running our business through legal entities with names referencing our former parent companies. We are currently working on an initiative that will make it easier for our partners to work with us and have started the transformation of our companywide legal entity architecture.

This is to inform you that as of 1/7/2020, in Greece, our legal entity PIONEER HI-BRED HELLAS has changed name to **CORTEVA AGRISCIENCE HELLAS S.A**

All other legal information like company address, company registration number, VAT registrations, etc. remain unchanged. Only the company name of this legal entity changes at this time.

We kindly request you update your records to reflect the change detailed above; and that as of 1/7/2020 you address your order confirmations and invoices accordingly. Any contracts in place will continue in full force and effect.

The email address where to send the invoices in pdf format is DL-GRE-VENDORS@CORTEVA.COM. Corteva discourages the use of paper invoices as it is a slower process, not environmentally friendly and with the risk of invoices getting lost in the mail, so please switch to pdf invoices if not already done. However, in case that you cannot switch yet to pdf invoices, here is the address for sending the paper invoices: Ydras 2 str & Kifissias 280 Ave 15232 Chalandri, Athens, Greece

If you have any questions or would like more information, please contact your usual contact person within our procurement organization.

We also welcome you to visit our Corteva Supplier Center www.supplier-center.corteva.com where you can find our latest supplier information.

Sincerely,

Christina Legaki
Country Leader
