**Legal entity name change for Corteva Agriscience affiliate**

Dear Valued Supplier:

Corteva Agriscience is streamlining its legal entity structure to make it easier to do business with us. **NuTech Seed LLC, a Corteva Agriscience company, changed its legal entity name as of July 1, 2020. Our new legal entity name is Corteva Agriscience MCS LLC.**

The existing rights, interests, obligations and responsibilities in the contracts, purchase orders, addenda, and other contractual agreements, as amended (collectively, the "Agreement") by and between your organization and **NuTech Seed LLC** remain unchanged (other than our legal entity name) and continue in full force and effect following our name change. Please note that this only impacts transactions with **Corteva Agriscience MCS LLC**. It does not impact transactions you may have with other Corteva Agriscience legal entities.

**Here are the required steps you need to take:**

- **Update the legal entity name to Corteva Agriscience MCS LLC and update the invoicing requirements in your internal system.**
- **Issue all future invoices according to the new name and invoicing requirements**

**Note:** The existing purchase order number (if any) will remain unchanged. Please ensure the purchase order number (if any) is indicated on the invoice prior to submission.

The NEW invoicing "bill to" requirements are as follows:

Company Name: **Corteva Agriscience MCS LLC**  
Tax ID: 20-5993044  
Company Address: 201 Knollwood Dr., Suite A  
Champaign, IL 61820

To submit invoices, please e-mail a pdf copy of the invoice to the NuTech Seed contact who placed the order or email a pdf invoice to [accountspayable@nutechseed.com](mailto:accountspayable@nutechseed.com). Paper invoices can be mailed to the address above.

Please share this information within your organization as appropriate. If you have any questions or need more information, please contact us at [accountspayable@nutechseed.com](mailto:accountspayable@nutechseed.com).

Regards,

Corteva Agriscience Procurement Team
