Dear Supplier,

After the successful completion of the separation from DowDuPont on June 1<sup>st</sup>, 2019, we are just over one year into our Corteva journey, growing what matters for farmers, consumers and the world.

As you may know Corteva has been launched at global scale with a balanced offering across Seeds and Crop Protection, as well as expanded Digital Services. Currently we are running our business through legal entities with names referencing our former parent companies. We are currently working on an initiative that will make it easier for our partners to work with us and have started the transformation of our companywide legal entity architecture. The intended final outcome of this process is to have in each country, wherever permissible, a single customer-facing legal entity with a Corteva legal entity name; and having all such legal entities operating in the same SAP system.

This is to inform you that as of **January 4, 2021**, in Switzerland, our legal entity DuPont International Operations Sàrl has changed name to **Corteva Agriscience International Sàrl**.

Simultaneously, the registered address of this legal entity has changed to **Route de Suisse 160, 1290 Versoix, Switzerland**.

All other legal information like company registration number, VAT registrations, etc. remain unchanged. Only the company name and registered company address of this particular legal entity changed at this time.

**We kindly request you to update your records and systems to reflect the changes detailed above; and that as of January 4, 2021 you address your purchase order confirmations and invoices accordingly. Any contracts in place will continue in full force and effect.**

The email address where to send the invoices to does not change, so please email them in pdf format to [EMEA.AP4@Pioneer.com](mailto:EMEA.AP4@Pioneer.com). Corteva discourages the use of paper invoices as it is a slower process, not environmentally friendly and with the risk of invoices getting lost in the mail, so please switch to pdf invoices if not already done. However, in case that you cannot switch yet to pdf invoices, here is the address for sending the paper invoices:

**Corteva Agriscience International Sàrl**  
C/O Dupont Asturias SL  
P.O. box 660  
33400 – Aviles - Spain

If you have any questions or would like more information, please contact your usual contact person within our procurement organization.

**IMPORTANT**

Please note that the below Swiss legal entities remain unchanged and will continue to operate as is

- **DuPont de Nemours Investments Sàrl**
- **DuPont AGR Services Sàrl**
- **Pioneer Hi-Bred ( Switzerland ) S.A.**
- **Dow AgroSciences Switzerland S.A**
